Cable address: **Flowersmit, Erfurt.**

## Cable Code.

To facilitate dispatch I have given Cable words to all the Vegetable Seeds and Numbers to all the Flower seeds. Herewith I beg to arrange as below a Cable code to all the likely quantities so that my friends by cabling two words or one word and a number can order any quantity of any variety in this List.

If the same quantity is required of several articles, it is not necessary to repeat quantity.

For example by cabling:

„Stores Bellows“. I would understand that to be: Six Cwt. Radish Turnip Scarlet Earliest Erfurt Shortleaved Frame,

or

„Stays Admit, Arise, 486, 593“ that to be: 3. Cwt. Garden Beet Egyptian earliest Darkred Turnip rooted, 3 Cwt. Lettuce, Erfurt large yellow, Thickhead, 3 Cwt. Sweet Peas mixed, 3 Cwt. Mignonette odorata.
